Benefits

Our ultra slim under-cabinet entertainment system brings TV and music to any space where there is cabinet or shelf space. The system allows you to listen to your favorite FM or AM radio stations. You can simply include these favorite stations in one of the many radio presets that are available. The internal speakers sound great for TV, music, talk radio or anything else that you may want to hook up via the Audio/Video inputs.

The large 8.1" LCD TV offers a great picture and size for watching your favorite shows. You can watch off-the-air channels or connect to your favorite cable or satellite system. You can even swivel the screen for the best viewing angle anywhere in the room. All functions are easily controlled through the full function remote.

The system includes an easy to read LCD display for the digital clock and radio/TV information. The included timer allows you to be alerted with an alarm, radio or TV. The unit includes battery back up for time.
